September-December 2023

Help your High Potential Teammates rise to the top through the ABC Nevada Rising Leaders Training Camp powered by Xs & Os of Success!

Using key tactics and leadership methods from the worlds of sports and business, rising leaders in your organization will obtain the skills, discipline, and competitive drive necessary to perform at the highest level in any business setting.

Our training camp examines the traits of championship teams, leaders, and performers. We provide a game plan for creating an environment where performance is valued over self-promotion. Leaders will not only learn how to focus on maximizing their potential daily while growing those they lead as a team, but they will also develop a deeper understanding of what it takes to succeed as a leader in the construction industry.

Our Rising Leaders Training Camp playbook includes:

- Identifying and developing future leaders within your organization
- Retaining and growing top talent
- Preparing high potential employees to be “coaches ready to lead championship teams”
- Improving current performance
- Enhancing trust, communication, and collaboration
- Solidifying and growing your organization’s culture
- Preparing construction industry leaders to navigate the “business side of business”

The Rising Leaders Training Camp features four learning experiences to help your High Potential Team Members develop a game plan for business success. Each “Leadership Timeout” experience will feature an interactive workshop (approximately 6 hours - including lunch break, etc.) and be accompanied by an interactive learning experienced focused specifically on the construction industry.

Four Leadership Timeout Workshops

- Make a Play for a Teammate: focused on Self-Awareness and Trust Building
- Compete for Results: focused on Communication and Habits
- Mute the Noise: focused on Self-Awareness and Focus
- Winning with the Championship Culture: focused on Collaboration and Results

Construction Industry-focused Workshops

- Human Resources Management
